

Nicosia, Cyprus

December, 2011

Hello dear friends from Romania!

We are the students of D'1 from Akropolis Elementary School and it is our first time that we have friendship classes from other countries. We are very excited about it! In our class we have only 18 students and we were impressed hearing that you have so many pupils in your class.

Our school subjects are similar to yours. We study Greek and English language, mathematics, science, history, geography, arts and crafts, music etc. Our teachers are Mrs Natalie Roupina and Mrs Dora Katselli.

We are expecting Christmas to come and we started decorating our classroom. We have a small christmas tree now in our class! We want to wish you all...

**MERRY CHRISTMAS
AND A HAPPY NEW YEAR!**
